### Culture sub-Program

Strand/category	European Cooperation Projects (small & large)
Deadline	18/01/2018

### Cultural operator(s)

Name and country	Municipality of Hévíz, Hungary
Short description	<p>The municipality operates the world famous spa and the related hospital offering medical services in Zala County (Western Hungary), which is the 2<sup>nd</sup> most popular tourist destination after the capital. Lake Hévíz is the world's largest biologically-active natural thermal lake surrounded by the mud forest, which is the municipality's greatest asset. However, the town is rich in historical heritages and cultural activities, since there are several artworks and man-made attractions in the town: the Roman ruin garden, the Museum of Egregy, the church from the Arpadian age, an Art Cinema, Tomb of the Roman soldier, Farmers' market of Hévíz, etc.</p> <p>More information about the cultural attractions of Hévíz is available here: <a href="http://www.heviz.hu/sights/man-made-attractions">http://www.heviz.hu/sights/man-made-attractions</a>.</p>
