Project

| | |
|-------------|---|
| Field(s) | Education, Sports and Cultural Heritage |
| Description | <p>1. The Municipality of Avrig wants to become a partner in a smaller European cooperation project in the field of education and cultural heritage. The basic idea of the project is to interact with communities that will creatively approach culture, agriculture, economy, ethnology and other areas. The project aims to promote patrimony in an interactive and meaningful way for communities: assembly exchanges, event demonstrations or craft demonstrations, inherited or contemporary products and traditions. The organization is interested in innovative approaches to attract young people and children and to involve them in cultural and sports projects.</p> <p>2. The actions and activities we propose through the project:</p> <ul style="list-style-type: none"> • Education and training - Traditions - Organizing a festival - presentation of traditional products • Promotion - mutual participation in fairs, business ideas • Community group exchanges - traditional gastronomy - recipes reinterpretations with elements from the partners area - • Workshops - community groups - traditional crafts - technical exchanges - joint exhibitions, eventually itinerant • Sport, music and traditional dances - we learn together - exchanges - each partner learns a dance or sport of others, a joint show, eventually itinerant. |
